

VIVAN, a furniture leg extender

- for comfortable, individualised furniture height

VIVAN - Key Features

- Raise furniture from 5 - 20 cm (2-8 inches)
- Held firmly in place when furniture is lifted and moved
- Will not mark furniture
- Fits rectangular, round, square or oval furniture legs
- Snaps into place without the need for tools
- Installed simply and conveniently without tools
- Straight profile makes it possible to place furniture to the wall
- Extra pieces allow additional height extension (2.5 cm or 1 inch per extension piece)

VIVAN fits most furniture leg profiles:

1. Square legs up to 6 cm (2.4 inches)

2. Round legs up to 6 cm (2.4 inches)

3. Oval Legs up to 4 - 6.5 cm (1.6 - 2.8 inches)

4. Rectangular legs up to 4 - 6.5 cm (1.6 - 2.8 inches)

Vivan is assembled easily and conveniently with no need for tools, and no marking of furniture.

VIVAN
