

## Fresh bath board

The Fresh bath board has won a number of awards for its superb design and excellent functionality. The Fresh allows the user to move safely over to the bath and also provides a safe and comfortable seat.

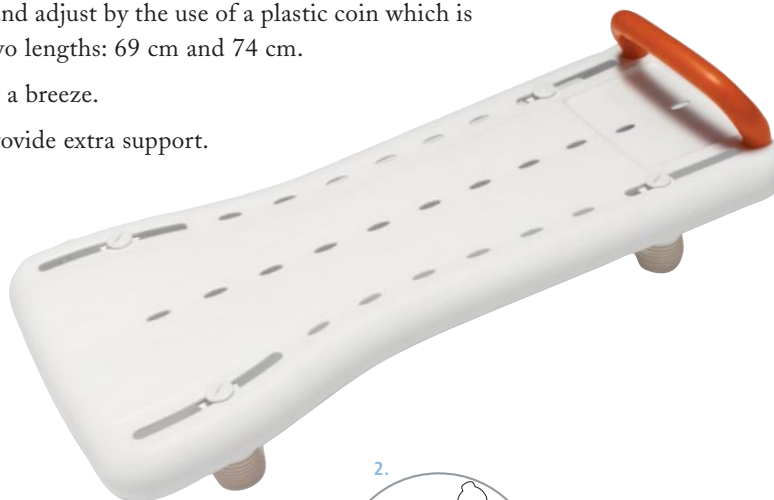

## Fresh – The original

The Fresh bath board has a unique shape, with a wide end for support when transferring over to the bath, and a narrower mid-section which allows ease of access for intimate hygiene. It has four friction linings, which makes the bath board stay securely on the bathtub. Fresh also has a place to keep soap or shampoo within comfortable reach.

The Fresh bath board is easy to assemble and adjust by the use of a plastic coin which is included. The bath board is available in two lengths: 69 cm and 74 cm.

The clean, smooth surfaces make cleaning a breeze.

Fresh can be equipped with a handle to provide extra support.
