

Rufus, bath

Rufus is a series of functional and safe aids that facilitate sitting in the shower room or bathroom. All Rufus products come flat-packed and are easy to assemble.

Rufus bath stool

The Rufus bath stool allows the user to sit comfortably in the bath 15 cm below the edge of the bathtub. This bath stool is ideal for use in combination with the Rufus bath board to make it easier to move the user to and from the bath.

Rufus bath chair

The Rufus bath chair allows the user to sit comfortably and securely in the bath, 19 cm below the edge of the bathtub. It has a backrest to ensure the best comfort and safety. This bath chair is available in two widths, 70 cm and 74 cm.
