

Rundis, Kaskad and Stapel shower stools

The Rundis is a practical, simple shower stool which is unusually sturdy for its small size. It can carry weights up to 150 kg.

The Kaskad and Stapel provide simple solutions for security in the shower or bath. Both of these products have all-welded frames with a removable seat/top for easy cleaning.

The shower stool with many possible uses

The Rundis is a practical, simple shower stool which is unusually sturdy for its small size. It can carry weights up to 150 kg.

The Rundis is sturdy, small and neat, and will easily fit in a shower cubicle. Rundis stools can also be stacked one on top of the other so as to take up a minimum of space for stock-keeping.
