

## OptimaL toilet armrest

OptimaL is a neat and functional toilet armrest with a modern design. It folds up easily and is folded down by gripping the grey handle. The small wall attachment facilitates mounting, since it only requires very little wall space.

## Easy to handle

The armrest has a round finishing which secures the support when standing up or sitting down. The folding mechanism of OptimaL is easy to handle. When folded up, it comes close to the wall, and is easily folded down with the grey handle.

## Safe and simple

The supporting leg ensures stability and the simplicity of OptimaL, and is a guarantee for the durability.

When folded up, OptimaL comes close to the wall.
